PROFILE

Ambitious and passionate Computer Science Engineering student with a strong interest in software development and emerging technologies. Possess good analytical, problem-solving, and interpersonal skills with the ability to adapt quickly to new environments. Currently gaining hands-on experience as a Full Stack Developer Intern at VRIF, Belgaum. Seeking an opportunity to grow in a challenging environment where I can contribute to organizational success while enhancing my technical expertise.

INTERNSHIP

Full Stack Developer Intern – VRIF, Belgaum *February 2026 – Present*

- Working on the development of web applications by contributing to both frontend and backend tasks.
- Assisting in designing and building responsive user interfaces.
- Supporting backend logic, database operations, and system integration.
- Involved in debugging, testing, and improving application performance.
- Collaborating with team members to understand requirements and deliver efficient solutions

PROJECTS

- **Park Ticketing System-** Built a web-based application to handle park ticket booking and visitor management. Reduced manual ticket handling by automating ticket issuance and data storage.
- **AI Based Placement Preparation -** Developed an AI-based system to help students prepare for placements. Provided practice questions, mock tests, and personalized feedback. Used AI logic to analyze performance and suggest improvement areas. Designed an easy-to-use interface for students to track progress**.**
- **Medicine Reminder -**Developed a full-stack medicine reminder system with secure authentication and automated alerts.Built a local health dashboard for BMI and calorie tracking, ensuring efficient data management.Integrated modern web features to ensure the application is accessible and user-friendly.

TECHNICAL SKILLS

- Programming languages: Python, SQL, HTML,CSS, Java,JavaScript ,OOP's,React
- Data analysis: Pandas, NumPy
- Other tools: MS office, Jupyter notebook, VS code

PERSONAL SKILLS

- Strong communication skill
- Ability to work collaboratively
- Problem Solving
